A little about ourselves, our community, and our commitment to offering the best dining experience we can. My wife, Tawni and I moved to Snoqualmie Ridge in 2001. The comfortable inviting neighborhood and families bring together a familiar, relaxed and welcoming surrounding. We enjoy living here, raising our 3 kids, Megan, Molly, and Harry and sharing time with friends and family. To truly be a champion for our community, Mabel's makes every effort possible to shop, source, and hire locally. We look to our neighboring farms in the valley for fresh ingredients and support responsible agricultural practices including sustainable farming, fishing, and chemical free proteins.

Tawni and I, as well as the entire team at Mabel's sincerely thank you for choosing to dine with us. We hope you'll enjoy your experience with us this time and every time.

Cheers!

Josh and Tawni Mabel
